

ROCKET'S RACE

Beautiful story about friendship.

The day had arrived,
And all the animals were up early
And ready for the big event.

Yes,
Rocket, Daisy, Leo, Lily,
Oscar, Luna, Rosie and Milo

were all super excited
as they moved towards the starting line.

You see, today was ...

Tommytown's Annual Running Race!

It wasn't on of those races
Where they couldn't wait to see
Who the winner was.

No,
everyone knew that Rocket
was the best runner in all of Tommytown

I mean,
that's how he got his name:
he runs like a rocket !

But the race is still lots of fun.

" See if you can catch me, gyus! "

He says to his friends good-naturedly.

" First to catch him by the tail wins! "

jokes Oscar.

And then, it's time to race
The friends gather at the starting line.

Ready, set ...

GO !

And the're off!
Rocket rockets ahead.

Daisy
Is the closest behind
and hops her little heart out!
Hop, hop, hop, hop, hop !

Rocket is rocketing
Towards the finish line.

His heart beats fast with excitement.

He does **SO** love to win !
And he has trained hard.

Daisy hops even faster.
But suddenly ...

CRASH!

Oh no! Poor Daisy!

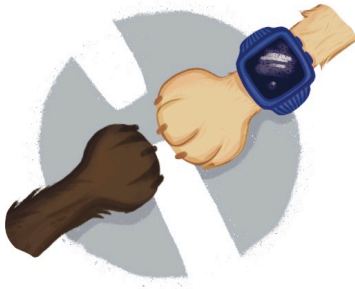

Rocket rockets back to her.

"Hold my paw,
and let's get you to the side"

he says as he gently pulls Daisy to her feet.

The rest of the animals
hadn't see the accident
and race on by.

**" That tail is nowhere to be seen!
He is just too fast! "**

laughs Oscar as he races ahead of the others
and over the finish line.

Oscar is still catching his breath
when he hears,

" CONGRATULATIONS! "

It's Tommytown's town mayor
who is now placing the winning medal
around Oscar's neck .

" Me?! "

he asks.

" Yes, you! "

cheers Rocket,
Patting him on the back.

" You got my tail after all! "

FINISH

1h 06min

Now Oscar understands.
Rocket hadn't rocketed across the line
As he always did.
He had stopped to help Daisy.
And because of that
now he is the winner!

Rocket also loves winning,
But he loves helping his buddies and
seeing them happy even more.
